Restroom Project Update

SNHL is very excited to begin the installation of a new first-floor restroom and the rehabilitation of the second-floor restrooms. It is expected some work will begin mid-to-late February with the removal of the old book dumbwaiter and the gutting of the downstairs storage room. The large print room will be reorganized for access to the collection. There will be lots of noise and dust! We appreciate your patience as we work through this amazing project that will benefit so many.
