

Shaler North Hills Library 2023 Report to the Community

It's not a huge library, but uses it's space wisely. The community events and programs are top-notch. A lot of heart here. I spent a ton of cherished time here as a kid and love bringing my own here.

~Nicole K.

Director's Message,

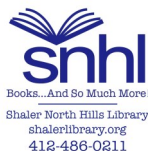

What a wonderful year of continued growth and change! New programs, services and so much more in 2023! Check out what we accomplished together in this report.

SNHL is fortunate to have amazing support from Shaler Township. Their commitment to excellence and strong fiscal management is reflected by outstanding Emergency Services, Public Works, Parks and Recreation and Township Staff and Officials.

We thank our SNHL Board of Directors for their leadership and guidance. We also thank the Regional Asset District and Commonwealth of PA. We thank our Friends of SNHL and all of our generous volunteers and donors. There are so many partners to thank, but a special shout out to the award-winning Shaler Garden Club for ALL they do. We thank YOU!

All that we do at the library is BECAUSE of the kindness, talent and expertise of SNHL Staff. How lucky we are to serve such an amazing community.

Sharon McRae

"This library has a nice selection of books, DVD'S, and boxed games from which to choose. There are also activities for all age groups and interests." ~Judith B.
